

TEAM FROM TAMILNADU (TNDALU) ADJUDGED AND DECLARED AS THE WINNERS OF THE SAARC ROUNDS AND THEREBY QUALIFIED TO THE WORLD ROUNDS OF THE 28TH STETSON INTERNATIONAL ENVIRONMENTAL MOOT COURT COMPETITION, 2023-24

The School of Excellence in Law, Tamil Nadu Dr. Ambedkar Law University, Chennai participated in the prestigious 28th Stetson International Environmental Moot Court Competition, 2023-24. The Stetson moot is considered to be one of the most reputed and prestigious moot in the international arena where participants across the globe compete in the world rounds. The competition is considered to be a flagship moot for International Environmental Law.

The university's team, consisting of Ms. S. Swetha, Ms. Susmithaa Shri R, Ms. Sai Madhumita. S competed against 24 teams in the SAARC Rounds facing immense competition from SAARC nations and eminent National Law Universities. The team was declared as the Winners of the SAARC rounds and further, Ms. Susmithaa Shri. R was also adjudged as the Best Speaker of the final rounds, Ms. S. Swetha was adjudged as the 3rd Best Advocate of the event and the

team also bagged the fourth best memorial award. The panellist of finals were retired Supreme court judges, sitting high court judges and eminent scholars.

The team from the university will be representing India and other SAARC nations in the world rounds of the Stetson moot to be held on April 2024 in Gulfport, Florida.

This year's theme focused on Environmental Impact Assessment in a transboundary context, protection of Mountain Gorillas and Climate Change. The competition stimulated the International Court of Justice, providing a platform for law students to showcase their knowledge and expertise in international environmental law.

The University's team's remarkable achievement is the best in the history of university making them proud representative of the University and the State. The team expresses gratitude to the Vice-Chancellor, Registrar and Dean and Professors for their unwavering support and encouragement throughout their journey. The team's success in the competition accentuates their passion and dedication towards the field of International Environmental Law.
