About the University

The Tamil Nadu Dr. Ambedkar Law University is a premier institution for legal education, established in the year 1997 in pursuance of the Tamil Nadu Act No. 43 of 1997. His Excellency Shri. K. R. Narayanan, the then President of India inaugurated it on September 9, 1997. As a sui generis model, the University is the first of its kind in the country offering legal education both on its campus and through the affiliated law colleges in the State of Tamil Nadu. Within the campus, the university has established the School of Excellence in Law [SOEL] in the quest for achieving greater heights in legal education with a multi-disciplinary approach. In SOEL, courses from research (i.e.) Ph.D in Law and Ph.D in interdisciplinary, eight Post Graduate courses, B.A., B.L., [Hons], B.Com., B.L., [Hons], and B.L., [Hons] are being offered. Apart from that, the Distance Education Department is offering eleven Post Graduate Diplomas and one Certificate Course. Under the visionary leadership of our Vice-Chancellor, Prof. (Dr). P. Vanangamudi, School of Excellence in Law [SOEL] is confidently marching towards its goals.

Background

Women, the world over, face gender discrimination in one form or the other. The principle of gender equality is enshrined in the Preamble, Fundamental Rights, Fundamental Duties and Directive Principles of State Policy of the Constitution of India. The Constitution not only grants equality to women, but also empowers the state to adopt measures of positive discrimination in favour of women. Various laws, development policies, plans and programs aim at advancement of women in different spheres. In recent years, the empowerment of women has been recognised as the central issue in determining the status of women. The women's movement and a wide-spread network of non-governmental organizations are ceaselessly working for the empowerment of women. But, still there exists a wide gap between the goals enunciated in the Constitution, legislations, policies, plans, programs and related mechanisms on the one hand and social and behavioural reality of the status of women in India and other. Thus, this workshop focuses on identifying the issue and problems hampering women empowerment in India and to offer suggestions to rectify the same.
