School of Excellence in Law, as a part of its endeavours of facilitating its support to the student community of the Country and to spread Environmental consciousness, takes immense pleasure in organising the of its Pro-Bono Enviro National Moot Court Competition yet again this year. Pro Bono is one of the reputed moot court competitions in the country, and is focused on encouraging legal acumen in Environmental Law. This moot is a flagship event of our institution and is intended to create awareness among the student body regarding pressing environmental complications. Since its inauguration in 2006, 11 editions of the moot have been successfully organised by our institution.

I am happy to announce that the 12<sup>th</sup> Edition of ProBono had witnessed overwhelming response students with the top 24 participating teams from all over the country. This year's moot problem revolves around one of the contemporary issues, the plastic ban.

### **PAPER BAG DISTRIBUTION:-**

Using paper bags is a step to make green India. Our cadets to bring awareness among people conducted an event on 24-01-2017 by distributing paper bags. A plastic bag takes 200-400 years to decompose in the soil. By decomposing it breaks into tiny toxic particles and causes soil pollution. But this is not the case of paper bags where it decomposes easily and turns into manure. Thus awareness was created among the shopkeepers and newspaper bags which were made by our cadets were also distributed.

### TREE PLANTATION:-

With the aim of making the slogan ‘GREEN INDIA CLEAN INDIA’ a success our cadets conducted an event for planting trees on 23-01-2017. Due to vardah cyclone chennai lost thousands of trees this tree plantation in our campus is a small step towards restoring the lost shelter and oxygen producing natural mechanism.

### TRASH CAN USAGE:-

“REUSING IS A GREAT ART”. Our cadets with this view conducted an event on 22-01-2017. This event is about reusing the waste bottles into a dustbin in a world of being consumed by waste. This reuse of trash can is one of the virtues of garbage.

### TRAINING ACHIEVEMENTS:
